Personal Public Records Data

What is a Personal Public Records Data?

Personal public records data refers to information such as aliases, birth dates, age and other data found to be connected to Lori Ortiz in the public record. This information can further help you by identifying alternate and/or maiden names, age variations, and any other information that may be associated with Lori Ortiz.

Personal public record data can be inaccurate, so it's important to understand what is in the public records for Lori Ortiz.

Subject:	Aliases:	Relatives:	Dates of Birth:
Lori Ortiz	Lori A Ortiz	Ortiz A Ortiz Michelle J Ortiz	Jun 1966 (Age 51)

Address History For Lori Ortiz

What is an Address History?

This report section lists historical addresses associated with an individual from public records. An Address History can assist in flagging address exceptions that may exist in public records. The addresses and phone numbers are not listed in date order and should be individually reviewed.

What is a current phone and address check?

We checked the phone numbers and addresses in this report with utility companies. Addresses and phone numbers that are on utility bills are considered current and marked in red. Not all phone numbers and addresses can be checked but they may still be current.

Property History Summary

What is a Property History Summary?

This section lists summary, neighbors, relatives and area data associated with the property when available. The Relatives and Associates section lists potential relatives or previous occupants associated with an individual and / or their address from public records. The Neighbors Around the Property section lists the immediate neighbors around the property. These sections can help confirm the people linked to your subject and provide additional people that may have current or forwarding information on the whereabouts of your subject.

What is a current phone and address check?

We checked the phone numbers and addresses in this report with utility companies. Addresses and phone numbers that are on utility bills are considered current and marked in red. Not all phone numbers and addresses can be checked but they may still be current.

Single State Criminal Check**What Is A Single State Criminal Check?**

This section contains criminal records from county courts, department of corrections, administration of the courts, and other legal agencies for the selected state. The types of offenses include felonies, misdemeanors, and more. Please closely review each record as subjects with a common name may return multiple criminal record results.

Criminal Check Disclaimer

The Criminal Check report returns results which may include all criminal records, or no results found on the individual. In the event of using this service for criminal background checks, you should not assume that this data provides a complete or accurate history of any person's criminal history. You should use extreme caution when interpreting the results of a criminal background search for any type of personal verification. Positive or false matches in criminal searches may not provide confirmation of an individual's criminal background. Please reference the updated Intelius User Agreement for additional restrictions regarding the usage of this data.

Civil Judgment Report

What are Tax Lien, Bankruptcy, & Judgments?

This section lists civil records from county courts for the selected address. The types of records include property tax liens, general tax liens, bankruptcies, small claims, judgments, and more associated with the selected address. Please closely review each record as common addresses may return multiple civil record results.

The Civil Judgment report returns results which may include all civil judgment records, or no results found on the individual. In the event of using this service for civil background checks, you should not assume that this data provides a complete or accurate history of any person's civil judgment history. You should use extreme caution when interpreting the results of a civil judgment background search for any type of personal verification. Positive or false matches in civil searches may not provide confirmation of an individual's civil judgment background. Please reference the updated Intelius User agreement for additional restrictions regarding the usage of data.
